TRANSMITTAL AND COMMENTARY LETTER

To the Members of
the Board of Selectmen
Town of Pittsburg
Pittsburg, New Hampshire 03592

Members of the Board:

In planning and performing our audit of the financial statements of the Town of Pittsburg, New Hampshire for the year ended December 31, 1994 we considered the Town's internal control structure to determine our auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance on the internal control structures.

However, during our audit, we became aware of the following condition that should be corrected in order to strengthen internal controls and operating efficiency. This letter does not affect our report dated June 2, 1995 on the financial statements of the Town of Pittsburg, New Hampshire.

Our following remark is being made in the hope that it will improve the existing procedure and is in no way a criticism of Town personnel.

School Scholarship Fund

The School District transferred Scholarship Funds to the Town Trustee of Trust Funds. The principal amount of Scholarship Funds were not accurate due to lack of information.

Recommendation

The Trustee of Trust Funds needs to research the principal amounts and keep records that separately track the principal portion and the income portion.

We extend our thanks to the officials and employees of the Town of Pittsburg for their assistance during the course of our audit.

Very truly yours,

Kyeong Whan Kim, C.P.A.

POLICE DEPARTMENT REPORT

In 1995 the Pittsburg Police Department investigated a total of 73 accidents. Of this total 32% of the accidents were animal related (moose/deer). Included in this total were 1 OHRV fatality and 1 motorcycle fatality.

In addition to investigating these accidents, the Pittsburg Police handled 53 criminal cases, 72 motor vehicle cases, 54 OHRV cases, 14 animal cases, 8 juvenile cases and 6 unauthorized camping cases. Included in the criminal cases were several thefts and camp breaks. The department has an active property-check policy. This policy not only enables us to check some of the seasonal properties, but at the same time helps to familiarize the officers with the area and the new road names.

It seems that every year more and more people are forgetting to license their dogs. I want to remind all dog owners that you are obligated by law to license your dogs or face civil penalties and/or court action. Cat owners are also reminded that although you are not required to license your cats, you are required to see that they have their rabies shots. I am asking that all pet owners please comply with these laws.

Each of the department officers received training and were certified in the use of O.C. spray in 1995. In addition to this, each officer attended several training sessions in 1995 in our continued commitment to ensure that we give the town the best trained and equipped officers that we can. Once again, I want to remind you that if anyone has any comments, suggestions, etc., on how we can better serve the needs of the community, please feel free to contact me.

I want to thank each of my officers for their continued support and dedication to the department. I also want to thank the other local, state, and federal agencies that have come to the assistance of our department in 1995. It is through this cooperative effort that we are able to provide you with the type of service that we do. I also want to thank the Selectmen for their continued support of the department in allowing us to attend the training that we do and for providing us with some of the finest equipment available. We look forward to serving you in 1996.

EMERGENCY 911

FIRE DEPARTMENT REPORT

Over the past six years the Pittsburg Fire Department Building Committee has raised a total of \$83,470.61 for a new fire station through their annual auction and other donations. This account is administered by the town treasurer. It is the firemen's hope that by raising half the cost of a new facility, the town will appropriate the other half when needed. It is anticipated that the new facility will house all of the town's emergency services and equipment.

Engine No. 2 (one of our older vehicles) has been repaired and is back on line. It was found that the pump needed refurbishing. These older vehicles have steel water tanks and are usually guaranteed for ten years. This one is now twenty-nine years old so we may anticipate more problems.

Currently, there are 26 active members participating in the meetings and training sessions. We are still cooperating with our neighboring departments in putting on a two-day "Tri-Town Fire School". This past summer we added two more Level I firemen with Tim Owen and Rick Dube taking the course that was offered in Colebrook. Also, in August, members of the department gave a presentation of the Fire Department to the Historical Society and concluded with an open house and demonstration at the station.

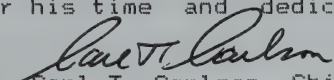

The following is a comparison of alarms answered:

PURPOSE OF CALL	1992	1993	1994	1995
Vehicle Fires	1	1	3	4
Structural Fires	1	0	0	2
Chimney Fires	8	4	4	4
Other Alarms	4	2	4	7

(52% of all chimney fires cause structural fires!)

We would like to take this opportunity to thank our neighboring departments and their chiefs, Henry Prehemo of Beecher Falls and Ron Hughes of Colebrook, for their cooperation and invaluable assistance over the past year.

I particularly wish to again thank each and every man in the Pittsburg Department for his time and dedication throughout the year.

Carl T. Carlson, Chief
Pittsburg Fire Department

AMBULANCE CORPS REPORT

The year of 1995 brought us a total of 84 calls, 3 of which were transfers, 81 were emergency runs.

In 1995 all our attendants became certified to operate our Marquette Defibrillator which was purchased in late 1994 with money the Corps received as donations. The cost of the new unit was \$6,994.10. The certification process consisted of 15 hours followed by a brief test. 1995 also was a recertification year for most of us. In order to qualify for recertification, each one of us must complete 27 hours of training modules and an additional 48 hours of "Further Education" within 2 years. Once these hours have been completed, we then sit for a written exam followed by a practical test. Congratulations to all of our attendants. You've all come through with flying colors once again!

I would like to take this opportunity to thank the community of Pittsburg for being extremely supportive with both donations of money and equipment. We do have several items that are available to everyone (Hoyer lift, crutches, beds, commodes, etc.), all of which are items that have been donated to the Corps by different families in the area.

Last but not least, I'd like to welcome our new members and thank everyone for always being dedicated volunteers; no matter what hour of the day (or night) they are called!

Respectfully Submitted,

Henry Henry
